AN ORDINANCE ARRANGING THE ORDINANCES OF THE TOWN OF SOLDIER SUMMIT, UTAH.

Be it ordained by the President and the Board of Trustees of the Town of Soldier Summit, a municipal Corporation, as follows;  
CHAPTER-XXVII.

CITY INSPECTOR.

Section-1- The City Inspector shall inspect all provisions and shall perform all the duties usually and ordinarily required of such an official, including the inspection of dairies, slaughter houses, and all other places where food products are produced or manufactured; and he shall inspect any article of milk, butter, cheese, meat, fish, vegetables, fruits, lard, syrup, coffee, tea, flour, meal or any other article of food or drink made or offered, exposed or kept for sale within the corporate limits of this Town. Wherever the same may be kept or stored, which he may suspect or have reason to believe is unfit for use, impure, unhealthy, adulterated or counterfeit. He shall perform such other duties as are, or may be prescribed or contemplated by ordinance, which relate to the inspection of provisions or any matter pertaining to the health of the City, and he shall obey all orders and resolutions of the Board of Health.

SECTION-2- The city inspector shall have power, in the performance of his official duties, to take samples for analysis and to seize, condemn and destroy any article of food or drink which upon inspection and analysis he may find to be unfit for use, impure, unhealthy, adulterated or counterfeit.

SECTION-3- It shall be the duty of the city inspector, when called upon, to examine all public or private buildings, bridges, dams, locks, gates, reservoirs, aqueducts or other public works, and certify to the strength, safety, workmanship, and general condition of same.

SECTION-4- Said inspector shall require the removal or prevent the construction of any fireplace, chimney, hearth, stove or pipe in any building which may seem to endanger life or property, and shall see that all ordinances in relation to the strength and safety of public buildings are carried into effect,

SECTION-5- It shall be the duty of the city inspector to examine carefully, under the direction of the Town Board, any cause from which immediate danger of fire may be apprehended and remove or abate, with the consent of the Mayor (in case of neglect or refusal of the owner or occupant), any cause from which danger may be apprehended and to cause all buildings, chimneys, stoves, pipes, hearths, ovens, boilers, ash houses, and other apparatus used in any building, which shall be found in such condition as to be considered unsafe, to be, without delay, at the expense of the owner or the occupant thereof, put in such condition as not to be dangerous in causing or promoting fires.

SECTION-6- If any person shall obstruct or hinder the city inspector or any person under the direction of the city inspector in the performance of his duty under the preceding section such person shall be guilty of a misdemeanor and shall upon conviction, be liable to a fine of not to exceed Twenty-Five Dollars or to imprisonment not to exceed Twenty-Five days or to both such fine and imprisonment.

SECTION-7-When any building or part thereof in the city shall become dangerous to life or limb of persons residing therein or in adjacent buildings, or passing in the vicinity, or if from cause apparent it will so become dangerous, the city inspector shall proceed to make an examination of said building; and if he shall find the building to be dangerous, as aforesaid, the city inspector shall immediately notify the owner or agent of such building or structure to have same removed, repaired or, secured within Twenty-Four hours thereafter; and if the owner or agent fails to do so, it shall be the duty of said inspector to demolish or secure same so as to insure safety, and he may call upon the Police for assistance or may employ labor or purchase material needed, and the expence thereof shall be collected from such owner; and any owner or agent who shall fail to comply with the requirements of such notice shall be guilty of a misdemeanor and upon conviction thereof, shall be liable to a fine in any sum not exceeding One Hundred Dollars or to imprisonment not exceeding Thirty Days, or to both such fine and imprisonment.

#### CHAPTER-XXVIII- PREVENTION OF FIRES.

SECTION-1-No stove or fire apparatus in which a fire is to be kept shall be set nearer than eight inches from the floor, except such as have no fire on the lower plate; such can be set within four inches of the floor on which they stand; and the top and side plates thereof shall not be set nearer than twelve inches to a wood partition or other wood work without protecting the same effectually from fire by a metallic or other covering.

SECTION-2-Every stove pipe in its passage through any ceiling, floor, partition, wall or roof shall be secured in its position and when passing through any wood work shall be protected by an earthen or metal ventilated thimble made of incombustible material, allowing a space of not less than one and one-half inches between the wood work and said stove pipe.

SECTION-3-Every chimney, stove pipe, stove flue, furnace and forge stack shall be raised at least three feet above the roof by or through they pass.

SECTION-4-It shall be unlawful for any person to pile or stack any hay, straw, chaff or other combustible or inflammable material within forty feet of any dwelling house or any other place where fire is used, and it shall be unlawful for any person to smoke any pipe, cigar or cigarette in any place where combustible material is stored.

SECTION-5- It shall be unlawful for any person to kindle or keep burning any fire in any of the streets or public grounds of this city without the permission of the Mayor, or to kindle any fire on any private property in any manner to endanger any building or other property in the neighborhood thereof.

SECTION-6-Any person violating any of the provisions of this Chapter shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not more than One Hundred Dollars or by imprisonment in the city jail not more than One Hundred days or by both such fine and imprisonment.

#### CHAPTER-XXIX. VOLUNTEER FIRE DEPARTMENT.

SECTION-1-The fire department shall be known as, The Soldier Summit Volunteer Fire Department, and shall consist of a Chemical Engine, one or more Hose Companies and any and all other equipment they now have or may acquire in the future, and shall be governed by the Constitution and By-Laws of Said Department.

SECTION-2-The fire department shall have a right to enter upon any public or private property, wherever and whenever necessary for the purpose of extinguishing fires.

SECTION-3-All steam engines, hook and ladder wagons, hose carts and other movable apparatus of the fire department, shall have the paramount right of way over and through all streets, avenues and alleys when going to a fire.

SECTION-4-Any person who shall in any manner wilfully interfere with, obstruct or hinder any fireman or officer in going to, operating at, or returning from a fire or practice, or shall wilfully injure any fire engine or apparatus, or shall give any false alarm of fire, or shall at any time drive any vehicle over the hose or fire apparatus belonging to the Town of Soldier Summit or any other fire company in the city, shall be guilty of an offence, and upon conviction thereof be punished by a fine in any sum not more than One Hundred Dollars, or by imprisonment in the city jail not more than One Hundred Days or by both such fine and imprisonment.

At a regular meeting of the Board of Trustees held in Town Hall April 5th, 1923, all members being present except Trustee Garbett the following Ordinances were presented by Trustee Donlin who moved thier adoption, which after being read the motion was seconded and the motion carried in favor of adoption.

Minutes of the regular meeting of the Board of Trustees of the Town of Soldier Summit ,held at the Town Hall March 7th, 1929 at 8 O'clock.

President T D Riggs,presiding.  
Trustees, C J McKellar, Leo D Munk, Frank Mullins, present.  
Trustee, D S Tilton,absent.  
Marshall, John W Huff, present.  
Treasurer W J Darnell, absent.  
Clerk, Seth Davis, present.

Minutes of the previous meeting were read by the clerk, and accepted,  
on motion by, C J McKellar, seconded by Mr. Mullins.

Clerk read a letter from the Equitable Insurance of Price, Utah, concerning a new bond for Marshall John W Huff, Mr Huff explained that this probably pertained to his bond as former deputy sherriff,which office he no longer held. After some discussion motion was made by Mr McKellar sec. by Mr Munk and approved that this matter be tabled until the clerk could investigate this matter.

The matter of replacing the roof on the town toilet was deferred until better weather conditions.

It was reported that Mr A C Shields, General manager for the D&RGW RR Co had consented to stop over and consult with the Board members with regards to a better water system for the Town.

Considerable discussion took place following the subject of a water and sewerage system,the Board members comparing different systems and equipment.In the event a sewerage system would be necessary, such matters as equipment and ## disposal were discussed.

It was decided by the Board to wait until a discussion of this matter could be had with Mr SHields,before taking further steps.

Mr Munk,mentioned that fact that as spring weather was drawing near lumber for the repair of bridges and streets would be necessary.

It was thought however that galvanized pipe would do better for this work and cost very little more. Mr Munk was asked by the Mayor to investigate the cost of galvanized and be prepared at the next meeting to report on this.

The following bills were read and allowed, motion by Mr Munk and seconded by Mr Mullins.

The Utah Power & Light Co....Street Lighting for month of Feb.	\$ 44.85
Officers, Trustees, Etc. Salaries for month of February.....	197.50
H C Means Inv. Co.....Water rent for month of February.....	15.00

Minutes of regular meeting, of the Board of Trustees of the Town of Soldier Summit, held at the Town Hall April 4th, 1929 at 8 o'clock.

Trustee, Leo D Munk, Presiding.  
Trustees, C J McKellar, D S Tilton, present.  
Trustee, Frank Mullins, Absent.  
Mayor, T D Riggs, Absent.  
Treasurer W J Darnell, absent. Marshall John W Huff, present.  
Clerk, Seth Davis, present.  
Visitor, Mr R O Weeter,

Minutes of the previous meeting were read and approved, motion by C J McKellar, seconded by D S Tilton.

Mr Weeter explained to the Board members his purpose in visiting, suggesting to them that a permanent ditch be constructed running back of his premises, and along the rear of the other houses on that row so that it would be large enough to carry the spring, excess of water away without running down the front of the houses and tearing away the side walk, with instructions to residents along the row forbidding them to dump their ashes and refuse in the ditch. Mr Weeter explained that it was his idea that a ditch so constructed would save the town considerable expense in the spring time.

Mr Weeter also complained to the board members of the outside toilet and corrals owned by the Roy Morrison Co. which he explained were very near to his back door yard, and the smell and refuse from these corrals were washed into his yard in the spring or whenever it rained.

The above suggestions and complaints were taken under advisement by the Board, and the clerk was instructed to write Health Officer Dr F M Poulson, and ask him to have these complaints corrected, and to also ask Mr Elias Gardner and A V Breitenbach clean up their barns and corrals back of the Drug Store, as much as possible, and in the future to use some kind of de-odorant.

Mr Weeter also suggested to the Board, the possibility of a regular scavenger system, to be run monthly, to collect the refuse and trash from each home, at a possible cost of fifty cents to each family per month, such trash and refuse to be kept by the family in a good container, to the rear of their home. This suggestion was also taken under advisement by the Board members and the clerk was instructed to form a petition, to be taken to each family by the Marshall, and have them sign "Yes" or "No" as they wished.

Complaint was also made by Mr Weeter of animals running loose about the town especially at night time.

Mr Huff here stated that Mr Williams had refused to accept the job as Pound Keeper for the small amount, shown in the ordinances.

Motion was made by Mr Tilton, seconded by Mr McKellar and approved that the rate for the first day be raised to fifty cents for the Pound Keeper and fifteen cents for each day thereafter. Mr Huff explaining that Mr Williams would take this job under the above provisions.

Mr McKellar suggested having the annual clean up campaign in the near future, but nothing definite was done on this, because of the continued unsettled weather.

Suggestion was made by Mr McKellar, to have gravel shipped in for the construction of sidewalks, explaining that this could be done very economically, as that gravel would cost but little, and the freight rate on this commodity was low.

Mr Munk, suggested again tearing the hill near the Elmer Parker home down and dragging the excess dirt down into the hollow along side the Wasatch Pool Hall. It was decided however to hold this over for the month until figures could be compiled, to see how the finances would hold out in the matter of building side walks and roads.

Mr McKellar offered some very good suggestions and figures to be used in the controversy with the Railroad over a new water system, explaining the cost, monthly, of running the pump at the round house and also the chlorine machine at the reservoir, and the continual cost of chlorine. Also the fact that it would be necessary for the Railroad to purchase a new chloring machine in the near future at a cost of some \$ 3000.00.

Mr Tilton mentioned the fact that some of the electric lights were losing their brilliancy and in his opinion some of them needed new globes. It was the opinion of the Board members that this matter was supposed to be watched by Mr McLure and remedied if necessary.

Mr Riggs suggested that the trips up White River and Branches be discontinued for this season, due to the fact that the sheep and other feed animals had practically been taken from the canyons. Motion was by C J McKellar seconded by Leo D Munk, and approved that these trips be discontinued, and the clerk instructed to so notify Mr Gardner.

Mr Huff reported the activities of two negroes, who had been disturbing several of the business houses, and citizens of the town, he having captured one and lodged him in the jail while the other had been driven from the town on his promise to not come back. After some discussion it was thought best for Mr Huff together with the D&RGW Special Agent, and one or two members of the Board to take the negro lodged in jail down the canyon several miles and send him on his way.

At the suggestion of Mr Riggs, that the Board appoint the judges for the coming municipal election, the following three men were named Elias Gardner, J W Sims, and Dan Garbett, the clerk to notify same by mail.

February 17 1931

Present-- Pres Parley Bills, C L Spaagy, Elmer Boyack  
Edna Lewis, John Huff, Vilda Bills, R D Shephard.

Clerk was instructed to send for the new power contract.

The State board of health reported our water in good  
condition.

Pres Bills reported that he had consulted with Supter-  
intendent Duel, of the D and R G, with reference to allow-  
ing the state road commission to take up enough of the  
tail of the Y to eliminate the bad curve at the East app-  
roach into town. Mr Duel was quite favorable to the prop-  
osition, as he felt that the rail road company would not  
need all of this trackage. He also reported that he had  
met with the state road engineers, and that they expressed  
themselves as being favorable to using the present road  
known as the state highway, rather than passing thru the  
( continued )

town over what is known as Cleary street, provided the rail road company w ill consent to the removal of the necessary amount of trackage at the end of the Y. So that the bad curve at this point could be eliminated. and have ordered a survey of the present state highway thru town, in order to provide the rail road company with blue prints showing what would be necessary to continue the road straight East, and eliminate the above mentioned curve.

Pres. Bills also reported having met with the state Municipal League, on the matter of the proposed gasoline tax law, It was stated by Pres. Bills, that if the proposed law was passed as written, that it would provide a municipal raod fund, of approximatley \$300.000 That each of the 127 incorporated towns would receive \$500.00 to be used on the city streets of the state. This \$500.00 to each town would amount to \$3,500.00 . The balance of the \$300,000.00 would be pro rated, according to the street mileage, of improved and used streets from the various cities and incorporated towns of the state.

The Utah State Municipal League, passed a resolution unanimously indorsing the proposed law, and pledged themselves to lend thier hearty support, and request that thier county repretatives, and state senators support the proposed law.

He also reported that the state municipalleague was on record, as being opposed to house measure known as no 71, As effecting municipal or community bond elections. And the town clerk was instucted to write letters to our county representatives, setting forth the town boards attitude, with reference to the above mentioned proposed laws.

Motion made by C L Spaugy and seconded by Edna Lewis, to pay back the \$400.00 that was borrowed from the water fund for the general fund.

The clerk was instructed to write for an ordinance for handelng our water system.

Motion made by C L Spaugy and seconded by Edna Lewis to ok pres. Bills expense bill. and feel that it was very reasonable.

Motion made by Elmer Boyack and seconded by Edna Lewis to adjour until the next regular meeting.
